RE: *File No. 11-R-133; Saunders County Attorney; Kenneth Stucklik*

Dear Mr. Stucklik:

This letter is in response to your Public Records complaint received by us on October 4, 2011, in which you requested assistance in obtaining a response from the Saunders County Attorney to your requests for records made to that public body on September 22, 2011 and September 26, 2011. We have carefully reviewed your request under the Public Records Statutes, Neb. Rev. Stat. §§ 84-712 through 84-712.09 (2008, Cum. Supp. 2010). We also contacted Scott Tingelhoff, Saunders County Attorney, regarding your complaint.

Mr. Tingelhoff has provided us with both an e-mail and letter addressed to you dated October 6, 2011 in which his staff informs you that the records you requested were available for you to pick up and details the costs related to those records. It is our understanding that you did pick up the records on October 7, 2011. Mr. Tingelhoff also provided a letter dated October 11, 2011 in which he confirms that you received all requested records maintained by his office. In light of this, and our discussion on October 6, 2011 with Mr. Tingelhoff reminding him of the requirement of the Public Records Statutes to provide a response to a written public records request within four business days, no further involvement by this office is necessary related to your October 4, 2011 complaint.

Sincerely,

JON BRUNING
Attorney General
